Petaluma's Premier Real Estate Force - *'Team Timo'* Blazes A Trail at Keller Williams Realty

Since Petaluma's '09 **People's Choice Realtor**, **Timo Rivetti** made his strategic move to join Southern Sonoma County's recently launched Keller Williams International Realty brokerage as a Broker/Associate Core Team Partner this Spring, real estate transactions have kept him on his toes.

So much so that Timo's well-timed move to provide a superior client service is a continuing priority in today's market. And a large part of this extended real estate service extends from the development of a top-notch real estate team to boost Timo's former solo status as a top producing broker/associate.

"I am committed to maximizing my proven negotiation, sales and client service skills within an innovative, energized, professional environment backed by an advanced support team and Keller Williams' conviction to serving our customers with the highest standards of integrity and professionalism," says Timo, who has retained the same email and website for a smooth transition from his former RE/MAX positioning. See phone above.

Founded in 1983, Keller Williams Realty International now ranks as the third largest real estate franchise organization in the United States.

"I'm extremely excited about the new Team Timo's already flourishing affiliation with Keller Williams," says Timo. *"I believe this move has greatly enhanced my proven, leading real estate services here in Southern Sonoma County."*
